

P T E C H
POWER

Bite of energy

In our portfolio, you will find
a carefully developed selection
of healthy high-protein bars.

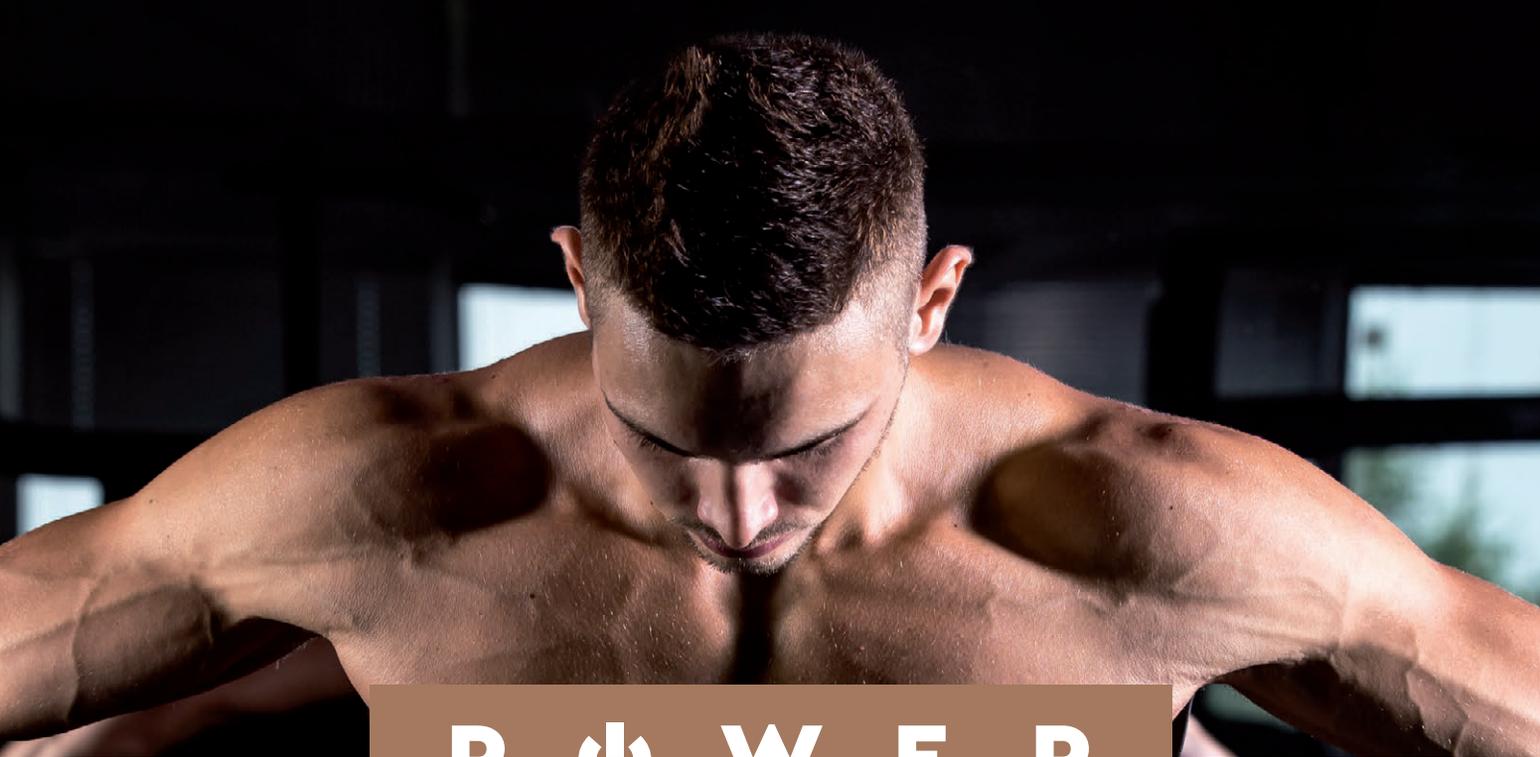

P **U** **W** **E** **R**
T **E** **C** **H**

Made of carefully selected
high-quality and healthy
ingredients to support your
tone and dream figure.

Masterfully crafted series that combines a nutritionally balanced formula with exceptional taste.

Enriched with an innovative 3-component protein matrix that includes high-quality proteins for optimal absorption and maximum support of muscle function and recovery.

With added collagen for extra health benefit, known for its properties to improve skin, hair, nails and joint health.
